

REMARKS

The present patent application is a divisional of US Patent Application SN 10/187,024, filed June 28, 2002, allowed. Applicant is canceling claims 21-28 and making a few minor changes to the specification. No new matter has been added. Applicant respectfully requests that this preliminary amendment be entered into the present patent application.

Respectfully submitted,

Date: August 26, 2003
